**NOTICE OF INTENT TO ACT UPON A REGULATION
Notice of Hearing for the Adoption of a Regulation of the
Employment Security Division of the
Department of Employment, Training and Rehabilitation**

The Employment Security Division of the Department of Employment, Training and Rehabilitation (DETR) will hold a public hearing at 10:00 a.m., on Monday, December 7, 2009, in the auditorium at 500 E. Third Street, Carson City, Nevada. The hearing is also available by videoconference at DETR's southern headquarters at 2800 E. St. Louis Avenue, Conference Room C, Las Vegas, Nevada. The purpose of the hearing is to receive comments from all interested persons regarding the amendment of a regulation that pertains to Chapter 612 of the Nevada Administrative Code.

The following information is provided pursuant to the requirements of NRS 233B.0603:

1. Statement of need and purpose

The regulation is required to establish the schedule of unemployment insurance tax rates for those employers eligible for experience rating for calendar year 2010. The Administrator of the Employment Security Division is required to establish this schedule annually, pursuant to NRS 612.550.

2. How to obtain the revised text of regulation

You may obtain a copy of the proposed regulation as revised or approved by Legislative Counsel by writing to the Department of Employment, Training and Rehabilitation, Employment Security Division, 500 E. Third Street, Carson City, Nevada 89713, or telephone Joyce Golden at (775) 684-3909.

3. Estimated Economic Effect

The resources of the unemployment insurance trust fund were exhausted in mid October of 2009. It is projected that Nevada will borrow up to \$1 billion in order to pay claims through calendar year 2010. It's important to note that this deficit is a result of an unprecedented economic downturn with historical levels of unemployment benefit claims. It is estimated that the retention and adoption of the current tax rate will, in itself, not increase the economic burden on Nevada's businesses.

(a) Effect on businesses

The average tax rate will continue, unchanged from last year, at the rate of 1.33%. The immediate benefit to businesses, as a whole, is that they will not be required to pay higher

unemployment insurance tax during the continued economic down turn for the next calendar year. Businesses in Nevada will experience no negative effects from the UI tax rate in 2010. It is hoped that improved economic conditions in the future will allow for increased contribution rates that can help to offset Federal loans needed in 2009 and 2010 for the continuation of benefits.

(b) **Effect on the public**

The tax rate schedule will become effective January 1, 2010 and remains in effect for the calendar year. The immediate and long-term effect on the public is to ensure the payment of unemployment benefits to workers who are unemployed through no fault of their own. Unemployment benefits enable unemployed persons to purchase necessary goods and services and put those resources back into the local economy. It is estimated that every dollar in UI benefits provides a \$2.15 value to the local economy.

4. **Estimated cost**

There are no additional costs involved in enforcing the proposed regulation, since funds are provided by the U.S. Department of Labor to administer the Unemployment Insurance Program.

5. **Overlap or duplication of regulations**

The proposed regulation does not overlap or duplicate any regulations of other state or local government agencies.

6. **More stringent than federal regulations**

The proposed regulation is not required pursuant to federal law, nor is there a federal regulation that regulates the same activity.

7. **Summary of provisions more stringent than the federal regulations**

Not applicable.

8. **New or increased fee**

This regulation does not increase an existing fee.

Persons wishing to comment on the proposed action of the Department of Employment, Training and Rehabilitation, Employment Security Division, may appear at the scheduled public hearing or address their comments, data, views or arguments in written form to the Employment Security Division, 500 E. Third Street, Carson City, Nevada 89713. The Employment Security Division must receive all written submissions on or before December 6, 2009.
